Missions

Don & Betty write regarding the war in the Middle East: *"I am letting you all know that we are fine, as are the rest of our teammates in various places. While some are located in places that have seen attacks, all have reported in safe. Outside, it looks like any other day. Please know that we have contingency plans in place and we are checking in with each other and with our office in Canada. We feel secure where we are and we have a good group of people around us and over us who are prepared to do what it takes to keep us safe. Beyond that, we have a God who has proven His care for us time and time again. So rest assured, we are in good shape. We do ask that you pray for the situation here in the Middle East and that our people not only remain safe, but feel secure in the knowledge that God is in control—even in the Middle East. In our role as Area Directors and Team Leaders, we have the responsibility to care for our team and are meeting with them. Pray that we will be able to reassure everyone of our plans and faith in God during this time"*

Copies of letters from our sponsored missionaries are available by the Mission display in the foyer.
